SunSport Inflatable Dinghies

The SunSport range of inflatable boats are available in four models- Slatted Floor, Air Deck, Aluminium Deck and Air Deck with Deep V-Bottom.

Ranging from 2 to 3.5m in length, the boats can carry up to 5 people and can be powered by Mariner or Mercury outboards up to 20hp. These go-anywhere boats are easy to store without taking up a lot of valuable space as well as being easy to transport and launch.

The standard package includes repair kit, aluminium seat, paddles, towing eyes, lifting eyes, landing line and pressure relief valve.

All inflatables have a 2 year warranty and CE certified making them meet all European requirements.

Slatted Floor
2.0 m - 2.3 m

The SunSport Slatted Floor boats are quick to inflate, ready to get out on the water and equally as speedy to pack away and stow on board. Due to the slatted floor design, the boat is easy to roll up and incredibly light weight which makes launching virtually effortless.
